### **Wednesday Recap**

# Is It Too Late for Turkey's Democracy?

Turkish democracy is on life support. On April 16, Turks will vote on 18 amendments to their country's Constitution, including whether to abolish the office of the prime minister and transfer its powers to the president.

## China's Aged and Sick Flock to a Hamlet Known for Longevity

Visitors hoping to cure their ailments or simply have a longer life head to Bama County, in southern China, which is known as the country's "longevity capital."
